Dear Supervisors:

**DEPARTMENT OF TREASURER AND TAX COLLECTOR:
APPROVAL OF A TAX-EXEMPT FINANCING BY THE CALIFORNIA
STATEWIDE COMMUNITIES DEVELOPMENT AUTHORITY TO BENEFIT
THE RETIREMENT HOUSING FOUNDATION
(FIFTH DISTRICT) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt a Resolution approving the issuance of California Statewide Communities Development Authority tax-exempt obligations for the purpose of refinancing certain facilities owned and operated by the Retirement Housing Foundation (the "Corporation") and its subsidiaries, Mayflower Gardens Health Facilities, Inc. and Mayflower RHF Housing, Inc.
2. Ratify a Tax Equity and Fiscal Responsibility Act (TEFRA) Hearing held by the Los Angeles County Treasurer and Tax Collector.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The California Statewide Communities Development Authority (the "Authority") has requested the County's assistance with meeting certain legal and public approval requirements for the issuance of tax-exempt revenue bonds on behalf of the Corporation. The bonds will be issued by the Authority in an aggregate principal amount not to exceed \$45 million.

The proceeds from this financing will be used to refund the Corporation's outstanding 1998 Certificates of Participation, which were issued as variable rate auction securities. The 1998 Certificates of Participation were themselves used to refinance certain prior obligations, as well as finance the acquisition, construction and improvements of the health care and residential facilities of the Corporation. The purpose of this refunding is to eliminate the auction rate structure and move to a debt structure that will price more competitively in the market. It is anticipated that the 2008 bonds will be issued as letter of credit-enhanced variable rate demand bonds.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal #3: Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions.

FISCAL IMPACT/FINANCING

There will be no fiscal impact to the County or the Authority. Repayment of the bonds will be the obligation of the Corporation.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Corporation has requested that the Authority serve as the conduit issuer for this financing and issue bonds on its behalf. The County's participation in the financing is limited to holding a TEFRA Hearing and your Board's approval of the bond issuance. While your Board is requested to approve this financing and ratify the TEFRA Hearing, your approval and ratification is limited to the two facilities located in unincorporated Los Angeles County. These two facilities are located at 6705 West Avenue M and 6570 West Avenue L12, both in the City of Lancaster. They are owned and operated by Mayflower Gardens Health Facilities, Inc., and Mayflower RHF Housing, Inc., respectively, and were financed through certificates of participation issued by the County in May 1992. The three other facilities that are part of the current financing are also owned and operated by subsidiaries of the Corporation and will require approval by the local jurisdictions (city or county) in which those facilities are located.

Pursuant to the Joint Powers Act, a number of cities, counties (including the County of Los Angeles), and special districts entered into a joint exercise of powers agreement (the "Agreement") by which the Authority was organized. The Authority is authorized by the Agreement to issue bonds or other forms of indebtedness to promote economic development and/or to benefit a nonprofit organization as described under Section

501(c)(3) of the Internal Revenue Code (the "Code"). Pursuant to Section 147(f) of the Code, this transaction must be approved by an elected legislative body having jurisdiction over the area in which the project is located. In addition, both the Code and Section 9 of the Agreement require that a TEFRA Hearing be held to give the public an opportunity to comment on the transaction. This hearing was duly noticed and held on February 27, 2008 in the office of the Treasurer and Tax Collector.

In accordance with County policies regarding conduit financings, we have secured the appropriate clearances for this project from the Department of Public Health and have confirmed that there is no County obligation to pay debt service on the bonds. The public benefit related to this project is achieved through the construction of additional health and retirement care facilities within the County.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no impact on current services or projects.

CONCLUSION

Upon approval of this Resolution, the Treasurer and Tax Collector will need two (2) originally executed copies of the adopted Resolution.

Respectfully submitted,

WILLIAM T FUJIOKA
